

FAQ:

1) Is Dr. Bouc going to stop seeing patients, is he moving?

No, he is simply restructuring his practice in anticipation of the upcoming changes in healthcare. He will now be considered an independent consultant. He will remain right here in Beloit at his current office site.

2) Will he still see me?

Yes, on a consulting basis only. Go to the website and sign on. For a yearly retainer fee you can access him via email. If you want to be seen personally or he deems it necessary to see you, an appt. can be made via phone or online at discounted prices.

3) What about my (diabetes, High blood pressure, thyroid, mole, etc..)

Again, he will happily continue to consult you for these issues. However, as has been the case since 2008, he can no longer be considered your primary care physician.

4) What about insurance?

If you seen or are getting a Myer's, IV, etc...you will be given a HCFA 1500 form to submit to your insurance for reimbursement. Nothing changes in essence except that you are now filing the insurance form and payment will be sent directly to you.

5) What will he see me for?

Dr. Bouc will consult with you regarding any health concern you have. He however will not be available for urgent matters, acute illnesses, etc.. in the office on a regular or timely basis.

6) Why is he doing this?

The answer is two fold. In order to stay independent of the coming restrictions placed by the healthcare reform legislation he must change his status to consultant. Additionally he wishes to increase his farming and food production activities and spend even more time with his family.

7) What can I expect if I sign up?

- a) Unlimited email access for your medical questions within reason.
- b) Refills of medications, vitamins and hormones as deemed appropriate by Dr. Bouc
- c) Unlimited access to his "info sheets" regarding varies alternative treatments to illness.
- d) Newsletter in your email approximately 8 times per year.
- e) Discounted labs and supplements that can be shipped to you or picked up at the office.
- f) Orders for labs sent to any facility you wish or drawn at the office. As per usual these will be billed to your insurance.
- g) When the portion of the new legislation is enacted that makes vitamins and supplements "prescription only"..Dr. Bouc will be there for you.

8) Can I still get a Myer's, chelation, glutathione, IV, B-12 shot ??

The simple answer is yes. He will be in the office two days a week to provide these services. He will be adding evening hours !!!

9) What about new patients?

New patients will be accommodated through the web portal. They will need to obtain an initial online consultation. Dr. Bouc will then see if they are candidates for thyroid, hormonal or vitamin therapy.

Thank you again for your support regarding these changes. It is Dr. Bouc's intent to continue providing you with exceptional personal care regarding your health.
